Town Meeting Votes For Further Investigation Of "Center Plan"

To Serve On Board

Mrs. Harry Pearlmuter will serve on the Board of Directors of the Year-Round Women's Division of the Combined Jewish Appeal for the coming year, as the representative from Arlington.

Authorizes Joint Committee To Make Plans, Report Back At Next Annual Town Meeting

The 64 Article, Town Warrant was completed Monday night in the fourth and final session of the annual Town Meeting. The proposed plans for the improvement of traffic conditions in Arlington center was approved, the Town employees lost their battle for a bonus, a \$5000 appropriation for discharge of a moral obligation was paid to the heirs of Kevork H. Mouradian, who was killed eight years ago by a Town truck and an article that would have changed the zoning laws, allotting stores to be built on the upper part of the Concord Turnpike was withdrawn.

Injured In Fall From Street Car

Mrs. Mae H. Dabby, 78, Boothill road, North Scituate, was taken to the Symmes Arlington Hospital, Sunday morning, after she had fallen from a street car at the Arlington Heights car barn.

THEFT CHARGED TO ARLINGTON MAN

An Arlington man was arrested early this week and charged with stealing a \$700 cardiograph machine owned by a Nashua, N. H. doctor.

Returns To Paris Island

P.F.C. Daniel F. Fitzgibbon, son of Sgt. George Fitzgibbon of the Arlington police force has returned to Paris Island, South Carolina, after spending a week at his home, 20 Prescott street, Arlington.

TOWN —

for an easier flow of traffic. There fore, I move that we postpone action on this motion."

Mr. Philip Hendrick, a resident of the town was then recognized by the chair and he said, "If the original motion of the Board is passed, you, as Town Meeting Members will lose all control over the motion. The Board of Selectmen & Public Works with the County Commissioners will have all the say in regards to land damages and land takings. I have studied this plan and estimate damages close to \$250,000 or \$300,000. Do not take any action, postpone the motion."

When Mr. Hendrick finished his discussion hands shot into the air all over the hall. The chair gave the floor to John Mitchell a voter from Precinct 3. Mr. Mitchell said, "The Planning Board is covering up something, everything is too modest. Do you members realize that this plan would affect schools and school children? It is my understanding that children all the way down to Webster street will be going to the Bishop School. Another thing, this meeting has been given facts concerning a traffic count, this count was taken when both the Concord pike and the Mystic Valley Parkway were under repair." Immediately another member asked the Town Council if any of the rights of the Town Meeting Members to take further action would be impaired? Mr. Hammond the counsel, said, "They would not."

Many members were looking for a motion to adjourn when John Murphy, chairman of the Board of Public Works, took the floor. Mr. Murphy announced this plan as the responsibility of the Town Meeting Members. He asked members not to try and duck their responsibility. He went on to say the plan had been under consideration for 12 years and further consideration would be useless. "Either vote for it or against it. Don't worry about land damages and money. We are not afraid of land damages, and as for money, the State has been asked for \$100,000 and the county for \$50,000, which we would get."

Confusion reigned, the substance

of what the original motion contained was confused in everyone's mind and after hearing from two more speakers, the motion to postpone was moved. It was defeated and a motion to adjourn was made and passed.

Monday night, the fourth session of the Town Meeting opened and with the words of one spectator, "It looks like we'll be here until the fourth of July," Harold Magnuson opened the meeting by informing Harvey Abbott, chairman of the Planning Board, he would have to re-submit his motion as the adjournment cancelled the previous motion.

Mr. Abbott then took the floor and submitted the following motion "Voted: That the plans embodied in the report of the Planning Board as submitted to this Town Meeting for street construction and other changes for the control of traffic in Arlington Center Area be approved in principle; that the Joint Board of Selectmen and Board of Public Works be and hereby is authorized and empowered to consult with the proper departments and divisions of the Commonwealth of Massachusetts and County of Middlesex, and do such other acts as may be expedient, to the end that a plan or plans, approved by the said departments or divisions, for the improvement and control of traffic flow in said area may be prepared and submitted to the representative Town Meeting for approval, disapproval or other action; that action taken in this vote shall not authorize any land taking within the Town of Arlington for such purpose before submitting to a representative Town Meeting."

Mr. Abbott then took the privilege of discussion and said, "We have recorded this new motion due to the sniping at our original motion. I want to impress upon you that all we are asking for is a vote of confidence. We are not trying to give powers to anyone for we do not possess power. We want to find out the State and County's position on our traffic problems and this is the only way in which we can do that." Mr. Abbott then introduced William Andrews, County Commissioner, to answer any ques-

tions the meeting members might have. Questions were asked and answered for some twenty minutes and when it appeared that the confusion was cleared, William Craig, a Town Meeting Member, took the floor and in short said, "We cannot afford this plan." Then Hollis Gott was recognized and he said, "Overcaution can ruin us. For 25 years we have been at a standstill in this Town, and we will stay there unless this motion is accepted. If we do not accept it, we will be selling both our constituents and town short. Let's build our town."

The question was then moved and in an unanimous vote the motion as amended was adopted.

Articles 58 through 61, the zoning laws were then passed in rapid succession. Article 62, the discharge of a moral obligation was brought up, and Mr. Ryan introduced an amendment. The original motion advocated by the Finance Committee for \$1500 was amended to read \$5000. In the discussion of the article, apparently Keywork H. Mouradian was attempting to cross mystic street, when a Town Truck belonging to the Tree Warden Department and driven by a member of this department skidded and struck down the man. He was taken to the hospital where he remained 16 days until his death. The accident occurred eight years ago, the evening of January 9, 1942. It was reported at the time the Town employees were drunk and operating the vehicle after hours without permission.

The Court ruled then that the town was not civilly responsible but set an \$8000 judgment against the two men.

The family apparently did not collect from the men and this motion was put on the floor so that some of the expenses of the accident and funeral might be paid. Mr. Ryan said he felt \$1500 was not enough money and he therefore requests \$5000 which was three

thousand short of the judgment.

The question was argued back and forth until a few more facts had been brought to light, and then the question was moved. A standing vote was taken and the motion was as amended lost, 84 to 85. However, a roll call vote was called for and after polling all the members, the original decision was reversed by a vote of 110 to 87, and the motion won.

Paul Shanahan then asked to be recognized and he moved that article 10, Special Bonus for Town Employees, be removed from the table. Mr. Shanahan presented the initial discussion on this motion, citing last year's Town Meeting, when \$35,000 had been voted to pay a bonus to Town Employees in order that they might receive comparable with their 1948 salary. He claimed that only \$800 of this money was used and asked that the remaining sum be divided up amongst the employees before May first of this year.

John Murphy then stood and advised the meeting that a sum of \$8.00 per man was paid the employees last year and this made up the difference between the 1949 and the 1948 salaries. The remaining sum, he said, went back to the treasury. He went on to say, in his opinion most of the Town Employees were satisfied with their pay.

J. Howard Hayes, chairman of the Finance Committee let it be known that one half million dollars has been added to the Town Employees Budget and he thought that was plenty of money for the year.

The question was called to vote and it was defeated, almost unanimously.

The final question of the night was taken up and in a matter of second a new headquarters for the Marine Corps League was approved and the 1950 Annual Town Meeting was adjourned.

Catholic Theatre To Present Play

The renowned Passion Play, "The Man of Sorrows", will be presented at New England Mutual Hall in Boston by the Boston Catholic Theatre on Monday, Tuesday and

Wednesday evening, April 3, 4, and 5, at 8:30 p.m.

Now in its 15th season as a touring Lenten production "The Man of Sorrows" has achieved a notable reputation for its striking beautiful portrayal of the story of the Passion and Death of Christ. Since its initial presentation in 1934 the play has been staged in more than a hundred communities in Eastern Massachusetts and also boasts of appearances in Maine and New Hampshire.

In the skillful and experienced hands of the Boston Catholic Theatre, the age-old drama of Christ is vividly re-enacted. The sacred drama brings to its audience a powerful message conveying impressively and with solemn dignity the significance of Lent. Modestly presented, but startlingly real in its simplicity, "The Man of Sorrows" distinctively carries the gripping story of the Passion and Death to every audience.

The Crucifixion scene in "Man of Sorrows" highlights the play and is unbelievably realistic. Expertly staged, both dramatically and technically, to give as authentic a portrayal as possible, this scene is profoundly breathtaking.

All the other important events surrounding this sorrowful period of Christ's life are similarly well presented. The highly regarded Passion Play script has each event and all the principal biblical characters interestingly woven into a remarkably concise dramatization that is smooth-flowing.

"The Man of Sorrows" is an original script written by Edward P. O'Donnell, Boston Catholic Theatre director.

Tickets for the production are on sale at Filene's and Jordan's and at the Box Office. For reservations, call HANcock 6-1433, the Boston Catholic Theatre office.

Miss Esther Bailey was a delegate representing her class at the inauguration of President Margaret Clapp at Wellesley College recently.

UNIVERSITY THEATRE

A motion picture that everyone has been waiting for - the first down-to-earth story of the G. I. of World War II, flag-waving and mock heroics, has been brought to the screen in "Battleground" which starts Sunday for four days at the University Theatre. Taking the members of a squad in the 101st Airborne Division as its pivotal characters, "Battleground" gives you the laughs, the tears, the bravery, the cowardice, the gripping, the bantering, the boredom and the guts of a cross-section of American G. I.'s. "Battleground" has a cast commensurate with its story - Van Johnson, John Hodiak, Ricardo Montalban, George Murphy, Marshall Thompson, Denise Darcel and many others, including a special squad of regular U. S. paratroopers.

The March of Time - The Male Look; "State Trooper". This is America series. A Walt Disney cartoon and other short subjects complete the program.

Thursday and Friday this week will be Review Days.

On Thursday the program includes "The Awful Truth" co-starring Irene Dunne and Cary Grant and "The Whole Town's Talking" with Edward G. Robinson and Jean Arthur.

"Johnny Belinda" co-starring Jane Wyman and Lew Ayers and "One Night of Love" with Grace Moore will be shown on Friday.

"Key To The City" co-starring Clark Gable and Loretta Young will start on Saturday for four days.

Private First Class David McGovern of the U. S. Marine corps has been enjoying a furlough at his home at 37 Coolidge road.

Lieutenant George S. Grey, U. S. Navy, of 127 Broadway, has returned to his base at Norfolk, Virginia, after a cruise in the Mediterranean

Spring Inspection Starts On April 1

During the month of March, ever before, I suggest that motorists start rectifying defects in their cars in order to be able to present their cars for inspection early in April thereby avoiding congestion in the inspection stations.

No consideration will be given those who delay and find themselves unable to have an inspection completed before May 1.

This Spring inspection is particularly important inasmuch as all vehicles need considerable attention after operation through the winter months. Windshield wipers have battled snow and frosted windshields, brakes have suffered the effects of alternate freezing and thawing, number plates have been lost and lights deteriorated. As more vehicles are registered than

LOCAL BUSINESS FACED WITH CRISIS

— SERIOUS SITUATION THREATENS —

**Local Business — Local Jobs — Local Payrolls — Local Taxes
HERE'S WHY —**

1. A Bill is being prepared in Washington, D. C., to be presented to Congress, which will recommend a drastic reduction in the Tariff on imported rubber and canvas footwear.
2. The proposed Tariff Reduction would bring foreign-made merchandise into this country at such low prices that domestic manufacturers could not compete.

3. Such reduction in the present tariff would practically turn over the production of Rubber and Canvas Footwear to low-wage manufacturers in Japan and Czechoslovakia.
4. IT IS DOUBTFUL IF THE HOOD RUBBER COMPANY-LARGEST TAXPAYER IN TOWN - COULD MAINTAIN EVEN ONE-HALF ITS PRESENT EMPLOYMENT AND CERTAINLY COULD NOT OPERATE PROFITABLY, UNDER PROPOSED TARIFF REDUCTIONS.

Without the money spent by Hood employees who live in this community, local business firms would seriously suffer . . . and the jobs of many store clerks and the others who render service would be in danger . . .
More unemployed people would increase local Welfare Costs and that means higher taxes.

THIS SITUATION VITALLY CONCERNS EVERY CITIZEN HERE'S HOW YOU CAN HELP

TARIFF REDUCTION ON RUBBER and CANVAS FOOTWEAR

Any proposed reduction in present Tariff which applies to rubber and canvas footwear is a serious threat to the economic stability of this entire community.

I am opposed to any such action which would endanger my own security and that of my neighbors.

Harriet Hctor Group Will Be In Arlington

The Arlington Council of Parent-Teacher Associations will offer as its final presentation of the Fine Arts Program for this year's series an original classical ballet, Maeterlinck's Bluebird, which will be presented by Harriet Hctor and her troupe. This will be a two hour production.

There will be three performances given at the Junior High School East Auditorium. The first will be on Friday evening, April 14th at 7:30 p.m., and there will be two performances on Saturday, April 15, one at 10:30 a.m., and the other at 2:30 p.m.

There are still some tickets available and they may be purchased at the schools or at Farlington's Record Shop.

JAMES O. HOLT

James O. Holt, 82 year old Arlington banker, died March 18th, at his home at 18 Lombard road, Arlington.

Funeral services were held at the First Universalist Church in Arlington, with burial following in the family lot in Riverside cemetery, North Reading.

Dean of Arlington merchants, Mr. Holt was the proprietor of the Pleasant street Market, which he operated for 54 years.
President of the Arlington Cooperative Bank, Mr. Holt was a member of the corporation of the Arlington Five Cents Saving Bank and formerly a director of the old Mcnotomy Trust Company of Arlington. He was born in Sterling, and had lived in Arlington for 65 years.

Mr. Holt was a trustee of the Symmes Arlington Hospital, a director of the Boston Wholesale Grocery Company, a charter member and former president of the old Arlington Board of Trade, former director of the Arlington Chamber of Commerce, a member and formerly for more than 30 years a trustee of the First Universalist Church, Arlington, where he was at one time superintendent of the church's school, and member of the Arlington Kiwan's Club.

Federal Budget

A discussion of the Federal Budget was presented by the Economic Affairs Committee of the League of Women Voters of Arlington for members on Thursday, March 23, at the home of Mrs. Eugene Grant. Mrs. James Daily spoke on the mechanics of making the budget. Mrs. Horace Homer presented the expenditures in each category of the budget and Mrs. Oliver Allen spoke on the effect of the Federal Budget on the total national economy. Mrs. David Ashton spoke in particular on the Farm Support Program and its effect on national economy. Mrs. Roy Freed, chairman of the Economic Affairs Committee, was the discussion leader.

Members present included Mrs. Richard Bok, Mrs. J. Welcker, Mrs. Jordan Thompson, Mrs. Glenn E. Owens, Mrs. Roy Spencer, Mrs. Hartwell Flemming, Mrs. Colgate Fish, Mrs. Edwin Gilliland, Mrs. Andrew Sobczyk and Mrs. Hugo de

Proposed Tariff Reduction Threat To Rubber Company

Watertown, Mass., March 29—It has been learned that a bill is now being prepared in Washington to be presented to Congress, which will recommend a drastic reduction in the tariff on foreign-made Rubber and Canvas Footwear.

Reduction in the present tariff

would bring such merchandise into the country at a price so low, that similar goods produced in the United States could not compete. A tariff reduction would practically turn over the production of Rubber and Canvas Footwear to the low-wage manufacturers of Japan and Czechoslovakia.

When interviewed, the executives at Hood Rubber Company stated, "It is doubtful if the Company could maintain even one-half its present employment, and certainly could not operate profitably."

ASHAMED OF YOUR FLOORS
Have That New Look!
Hardwood Floors Made
(Sleek as a Bowling Alley)
All Floors Simonized
FRANK BORELLI
65 Hemenway Street, Boston
Telephone COpley 7-2259

This serious situation calls for immediate and drastic action by the citizens of this area. Any proposed reduction in the rubber and canvas footwear is a definite threat to the prosperity of the biggest local rubber footwear industry. Such contemplated legislation would have a disastrous effect on local business firms, increase our welfare costs in taking care of additional thousands of unemployed, and raise taxes to meet this extra expense.

Here's how a change in the tariff would affect local business establishments: The Hood Rubber Company now employs in excess of 5000 people. The annual payroll runs into millions of dollars - providing money which the employees spend in this area for family necessities and comforts.

Actually, the money spent locally by Hood employees helps to provide many jobs for store clerks and others who render various services in the community.

Elimination of this large employment and payroll at the Hood Rubber Company through the lowering of the tariff, would be a damaging blow to all local business. A Manager of a Clothing Store - said "I sell wearing apparel to the families of the workers at Hood. If they lost their jobs, the effect on

my store would be disastrous." "Hood employees spend plenty of money in my store. If they lost their jobs, had no money, you know what would happen to my business," said the owner of a Grocery and Meat Market. When he heard what a tariff reduction would mean to the Hood Rubber Company, the owner of a Gas Station remarked, "A large share of my business comes from Hood employees, and I'd be lost without it."

Similar opinions could be expressed by every business owner or manager in town, so far reaching would be the effect of such a damaging tariff reduction on foreign made rubber and canvas footwear similar to that made by the Hood Rubber Company.

Mr. Alden C. Brett, Treasurer of the local concern, explained the proposed tariff action in this way: "To boil down the threat to our industry thru actions going on in Washington, there is a Bill prepared, the purpose of which is to eliminate the use of American selling price as the basis for applying the tariff on imported goods."

There are only three industries in this country where this American selling price is used, and one of the industries is Rubber Footwear, including vulcanized rubber-soled Canvas Footwear.

This basis of applying the tariff was established in 1932 after a thorough study by the Tariff Commission of the damage being done to our industry by importations of Waterproof footwear from Czechoslovakia, and Rubber Soled Canvas footwear from Japan.

This study determined that the only way that our industry could be protected from low-wage competition was to use the American selling price as the basis for applying the tariff, because the importers' stated price was so low that the tariff had absolutely no effect.

Therefore, this proposed Bill is directly aimed at the Rubber Footwear industry and the Hood Rubber Company. Its purpose must be to turn over to Czechoslovakia and Japan the major portion of our business to low-wage manufacturers in those countries.

From the experience was had in 1930 - 1931 and 1932 it is doubtful if the Hood Rubber Company could maintain one-half of its present employment if this Bill were to go thru Congress and be approved by the President.

Besides eliminating at least half of our job opportunities, it is certain that it would be impossible to operate the Hood Rubber Company profitably."

This is a most vital and serious problem which confronts our community and vitally concerns every citizen.

It is time for action to fight this proposed bill, and we must act now. A flood of protests from the citizens sent directly to our Congressional Representatives in Washington can help to kill this bill before it has a chance to even be presented to Congress.

Definite action plans are underway at Hood. A committee has been formed to organize the employees into protesting action to protect their jobs.

Posters on factory bulletin boards, and pamphlets in pay envelopes explain the proposed dangerous tariff reduction bill. Each employee will receive a postcard to sign which will be mailed to our representative in Washington in protest against any tariff reduction.

It is planned to collect the cards in large mail bags to be shipped to Washington to impress our representatives with the serious effect of such proposed action on Hood employees, their families and the businessmen in this community.

Remember, that foreign-made rubber and canvas is produced at extremely low wage rates by manufacturers whose prices are supported by government subsidies.

Domestic manufacturers could

not possibly meet this low rate labor cost, without drastically reducing wages which would definitely lower and destroy our American standards of living.

If the proposed bill to reduce the

tariff on rubber and canvas footwear was passed, the only course left to the Hood Rubber Company would be drastically reduced employment and payrolls.

They're Meeting to Improve your Telephone Service

At regular intervals the manager of your local telephone office sits down with his force to talk things over. To discuss ways of improving service, to analyze projects that are under way, to announce future plans.

BETTER PARTY LINE SERVICE

A major project in every telephone office today is party line service. Here, our engineers are working closely with local people, to see that every improvement possible is made. Each locality is being reviewed and checked so as to use new facilities, as they become available for individual and two-party lines, to the best possible advantage.

BETTER USE OF PARTY LINES

Every effort is made to iron out misunderstandings about the proper use of party lines. Usually it's simply a matter of getting people to cooperate. Sometimes a letter does it; sometimes a friendly telephone call; then again a personal visit helps.

As a rule, however, people cooperate on their own. They know that the simple everyday courtesies that make party line service good service are appreciated and generally returned.

NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY

MIDDLESEX BUSINESS REVIEW

North Avenue Savings Bank

Incorporated 1872

Throughout the past 78 years, the North Avenue Savings Bank has been serving this section of the state with honor and distinction, offering a savings service that has aided in the general promotion of thrift throughout this entire area.

The importance of a regular system of savings is of inestimable value in building character and providing to a man or woman a feeling of self-respect, independence and confidence in facing the future. Like the time-worn but true example in nature of the mighty Oak that starts with a tiny acorn, so the small beginning of a savings account constantly increased by consistent additions, will accumulate through the years and inevitably result in a competence for any need that might arise.

The North Avenue Savings Bank, located in North Cambridge at 19 1/2 Massachusetts Avenue, now holds a sizable amount of savings of small investors in this area and they particularly welcome the small and growing account. As a matter of fact, one dollar will open such an account; here and you will certainly experience the thrill of

watching your account grow.

This bank is under the direction of competent business men who assure depositors of a thrift service secured by the most stable investments. The officers in charge have long been associated with the business development of this area and cooperate fully with the citizens in an effort to stabilize business interests. A banking service such as this is a great convenience to the public and it is therefore logical to draw the conclusion that a strong institution, such as this one, which specializes in savings accounts is the most advantageous place to deposit your money.

In addition to these features, this institution is rendering an important service in the mortgage field. Here you will find an up-to-date mortgage plan which is flexible and inexpensive—actually tailor-made to fit your need.

In this business review, we are pleased to call to the attention of the public the merits of the North Avenue Savings Bank which has so capably fulfilled its function during the past 78 years.

HOTEL CONTINENTAL

"One Of New England's Best Hotels"

In the minds of both the resident and traveling public throughout the length and breadth of the country itself, the Hotel Continental, located in neighboring Cambridge at 29 Garden Street, occupies a very special niche. For longer than we care to remember this hostelry has been the favorite of those who appreciate the meaning of true hospitality and gracious living at its very best. Combining all the old-time atmosphere with the most modern facilities, it possesses all the resplendent charm of yesterday geared to the stream-lined tempo of today.

Operating under most efficient management, its reputation has been well earned through its constant striving to anticipate the least desire of all who enter its doors. Within its walls, nobles from every walk of life have enjoyed its hospitality, and men and women everywhere mention the Continental as a high spot of their stay in this section of New England.

In its dining room, meals of culinary artistry tempt the appetite and their excellence is particularly well-known to the people from our own section of the state. The prices

are always fair and within reason and the services impeccable. In fact, everything here is pure, whole and deliciously appetizing, making it a perfect place to take the entire family for dinner.

Perhaps that which is most important is the fact that they have here excellent facilities for Proms, Banquets and Parties of any size, and those who have attended such events here in the Grand Ballroom which is one of the largest, seating 800 individuals, and truly one of the most handsome Ballrooms in all New England, are definitely eager to pay a return visit at the earliest opportunity.

We really take pleasure in recommending the Hotel Continental to all our readers and in having this opportunity of complimenting Mr. Chauncey Dewey Steele, Jr., the very able general manager, and also the efficient personnel upon the high standard and popularity attained, and which, in our opinion, is so richly deserved. We definitely urge all the residents of Arlington to keep the foregoing facts in mind and to take advantage of them at your very first opportunity.

THE UNIVERSITY TRUST COMPANY

THE PEOPLE'S BANK

Member of Federal Deposit Insurance Corporation

It is indeed fitting that in a Review of the outstanding establishments of this section of the state, we again include the UNIVERSITY TRUST COMPANY, located at 2360 Massachusetts Avenue, North Cambridge, an institution the scope and diversity of whose activities through the past 12 years in the banking field have been such as to have made them major factors in the business and industrial life of our city. Serving Cambridge and the adjacent area, this bank has won the confidence and respect of all who have entered its doors.

As a financial factor in the life of our community, we might say that THE UNIVERSITY TRUST COMPANY has been a real aid, holding many commercial loans, industries throughout this section of the state. Real estate loans to home owners and personal loans to individuals are other features of their varied services of which many

of our citizens have availed all types of loans calculated to assist in the progress and development of this territory and also in promoting the interests of the individual.

This type of service naturally makes THE UNIVERSITY TRUST COMPANY as an aggressive and progressive banking institution of incalculable aid to such a community as ours.

In all of these respects the UNIVERSITY TRUST COMPANY has acquitted itself creditably and its ever-growing clientele may well be taken as an indication of the satisfactory services which it has so ably rendered in the past and which they are continuing to give today.

We want to take this opportunity of commending both the officers and the entire personnel of the University Trust Company, truly a People's Bank, upon their sincere desire to aid every individual who seeks the service of this bank.

NELSON REST HOME

Mrs. Margaret S. Nelson, Graduate Nurse & Director

We are pleased to include in our review of those better services as seen thru the eyes of the press, an establishment which has always performed most admirably in the interests of all those individuals who have ever availed themselves of its comforts and health attaining facilities. In a location removed from the clamor of the city noise, and yet not too far from the center of activities at 19 Burnham St., in nearby Belmont, is the Nelson Rest Home, telephone Belmont 5-2166, a beautiful and ideal place for convalescents chronic cases and elderly people. Here in a quiet, cheerful and homelike atmosphere with an abundance of health-giving sunshine, the accommodations represent the finest it is possible to secure whether it be a large city or a small town.

Under the personal supervision and direction of Mrs. Margaret S. Nelson, the very utmost in attentive care is given at all times with nurses in attendance day and night, and it is a fact that the convalescents here are soon inspired with renewed hope and vigor with the confidence necessary toward the restoration of health in both mind and body. It is quite evident then, that taking into consideration the very appearance of this place with its comfortable rooms and tasteful

furnishings plus the nourishing and appetizing meals prepared under the watchful eyes of one very well qualified in the varied needs of convalescents, chronic and elderly individuals, all combines to make the Nelson Rest Home the ideal place in your selection of truly an ideal rest home.

Mary satisfied patrons from our own community who have been guests here in the past at the Nelson Rest Home, praise highly its restful and comfortable accommodations and have gratefully acknowledged the efficiency and the methods as employed here in restoring a condition of abundant health and a sincere feeling of well-being.

We are therefore pleased in complimenting Margaret S. Nelson, a Graduate Nurse and the director upon the excellent facilities which she has made available to anyone who requires supervised care and also because of the wide efficient personnel she has surrounded herself with, and without any hesitation we are pleased to point out these attractive merits of the Nelson Rest Home for the interests of those who either now or at some future time may be seeking an institution such as this one which so competently serves this entire section of the state.

PETE HUTTON

Expert Automobile Repairing

We are indeed pleased to present to our readers the excellent services provided for automobile owners in the Arlington area, by one who met with tremendous success because of his efficiency, none other than the well-known Pete Hutton, located here in Arlington at 100 Summer Street, telephone Arlington 5-1467.

Every trouble that can possibly affect an automobile or its operation is taken care of in the comprehensive scope of his services. Possessing the most up to date facilities to take care of any kind of work, from a minor motor tune to a general overhauling, this work is efficiently done by experts well trained in their own particular fields.

With the shortage of new automobiles so apparent because of strikes and too, because of their high costs, and with no immediate let up in sight, it becomes more important than ever to keep your car in the finest possible condition.

The first move in this writer's opinion, toward that end lies in the selection of a competent auto repair center, where they not only

know their business but one which has also proven to be most dependable, for it is just common sense that the years of service which you will get from your car is dependent upon the care you give it plus the quality of the service it receives in the hands of efficient mechanics. In this respect, you will find no more reliable service center than that of this same Pete Hutton, and we might add that the expert workmanship which identifies every job turned out here, is due in a great extent to the fact that all work done here is under the direct supervision of Pete Hutton himself.

We really do take pleasure in commending Mr. Hutton because of the fine services which he is rendering to the motorists of this section of Middlesex County, and because of the excellent reputation which he has gained in the time he has been in business here.

We very definitely recommend the services of Pete Hutton to all our readers and friends as a place where you will receive the utmost satisfaction in the efficient job as turned out at this establishment in every instance.

T. J. HARTNETT

A Distinctive & Complete Line of Choice Liquors

The Nearest Package Store to Arlington

and foreign origin.

On the other hand, if you are planning any party or festival, large or small, we would strongly suggest that you telephone EL 4-1000, and state your wants and it is our opinion that you will, very definitely, receive just what you ordered at the time that you want it, truly a complete service in every detail.

In short, the manner in which this very good-going liquor store has catered to the needs of the public, is a credit to this firm's conception of the highest principles which should always be maintained and no doubt will be as long as Mr. Thomas J. Hartnett, the capable proprietor, continues this establishment.

We are very much pleased in commending this establishment of T. J. Hartnett, which in our estimation, is one of the most modern and best equipped of its kind in the state, upon the fine products which they have to offer and because of their on-the-level business transactions we recommend this place as one where you can always trade in the utmost confidence at all times.

PAUL REVERE RESTAURANT

"Serving Fine Food"

Traditionally famous as one of our most popular centers for the choicest of meals and delicacies, the Paul Revere Restaurant, located right here in Arlington Centre at 453 Massachusetts Avenue, is today upholding those traditions which have made it popular with all individuals who have enjoyed their appetizing dishes and prevailing hospitality.

Indeed, it may be said that lovers of good food have one thing in common—they know where the best in these specialties can be obtained. And because of this knowledge, this good-going local restaurant enjoys a large patronage among the discriminating people throughout Arlington.

It is seldom that one comes into contact with real, honest-to-goodness cooking the sort that we are led to believe that grandmother prepared but here, they really do take pleasure in taking pains to achieve a quality of the culinary art in the preparation of their appetizing dishes which grandmother might well be proud of.

A more sparklingly clean establishment it would indeed be difficult to find here in this area, and there

is none, to our mind, which merits a greater pleasure of popularity. Graceful service and pleasant hospitality add to its attractiveness which is indeed appreciated by all individuals who stop in here for a meal.

At the Paul Revere Restaurant it matters not whether your order be large or small, you are made to feel at home and that you are always welcome. It is easy to see how, in such a congenial atmosphere, one can really enjoy the well-cooked fresh foods that are served here.

With everything carefully supervised by the capable proprietor Peggy Redding, this excellent restaurant is rendering this high type of service to an appreciative public, everyone being catered to in a manner that bespeaks of a sincere desire to serve at all times, and so, in commending Peggy Redding, and the efficient personnel of the Paul Revere Restaurant upon the manner in which they conduct this fine local restaurant we decidedly recommend this place to all our readers as well worthy of your complete patronage at all times.

MIDDLESEX FEDERAL SAVINGS AND LOAN ASSOCIATION

It is indeed fitting that in a review of this nature, we include once again the MIDDLESEX FEDERAL SAVINGS AND LOAN ASSOCIATION located in Somerville, in their fine new quarters at 1 College Ave., the scope and diversity of whose activities in this particular field have been such as to make them major factors in the business and industrial life of the areas which they serve.

This association, with their admirable savings plans, certainly indicate the habit of thrift and it is indeed most surprising how rapidly one's savings will grow with but a small deposit added to regularly, a sizable competence is obtained for your needs in the years to come.

Familiar with the needs and demands of the general public, by reason of their long identification with the activities throughout this area, it is not at all surprising that this establishment has become most popular with the people throughout this section of the state.

If you are contemplating the building in the future of a new home or building, stop in here and talk over your problems, without

any particular obligation on your part. You will find that they can arrange here for a mortgage suitable to yourself and for your purpose.

As a factor in the growth and development of this community, the MIDDLESEX FEDERAL SAVINGS AND LOAN ASSOCIATION has taken a most active part and for this reason, this institution is one of our most essential assets of this section of Middlesex County.

We are also sure that as long as those who now control the activities of this fine association continue to serve our people, they will always render the same satisfactory service in the future as in the past.

We are certainly pleased to have this opportunity of including in our business review of Middlesex County, this good-going public spirited institution, and we are happy to commend the officers and management of the MIDDLESEX FEDERAL SAVINGS AND LOAN ASSOCIATION upon the fine services which they are rendering to the people of this section of the state.

H. R. Lawrence Roofing Company

Roofing, Siding, Modernizing

Authorized Bird Roofer

We are indeed pleased to include in this business review of those firms best serving this community of Arlington, and also to give a public word of praise to a firm which has won the respect of all individuals who have done business with them in the past. And this holds true particularly here in Arlington where this firm has been most active and where, as a matter of fact, they have over a thousand satisfied patrons.

Our main reason, however, for the selection of this roofing company and their specialized services, is because so many new companies have sprung up over night, so to speak, and whose representatives have been using unfair tactics, procuring contracts even when the work was not at all necessary.

Located in nearby Cambridge at 152 Magazine Street, telephone Trowbridge 6-3671, the H. R. Lawrence Roofing Co., specializes in general roofing and siding work, and as authorized Bird Roofers this fact speaks for itself. Fully covered too, by workman's compensation insurance, the property holder is thereby protected from any law suits which might accrue through accident.

The materials used by this good-going concern are of the latest scientific development; in the roofing and siding business, having answered all the tests, including the tests of weather and time.

LOUIS STELLA

Plumbing & Heating Contractors

Electric & Gas Appliances

Their excellent workmanship and products, throughout Arlington, provides the real proof of their efficiency. Their objective has been to provide a service especially adapted to the requirements of the average home-owner at the lowest possible cost. Featuring a fine repair service, or a complete new plumbing job, and always prepared too, to install an efficient heating plant in any home or building, in addition to their gas-fitting and electric sewer cleaning services, Mr. Louis Stella is always pleased to furnish estimates on all phases of this work. On the other hand, if you are in need of gas or electric appliances, it is our opinion that you should stop in here before buying elsewhere, such products as the G. E. Electric Kitchen, Grand Gas Ranges, Mitchell Air-Conditioners and last, but not least the Gibson Ranges and Refrigerators one of which, by the way, is to be given away free at the Stop & Shop and which is now on display there.

We are most pleased, in this review of our outstanding services and establishments, to commend Mr. Louis Stella upon the excellent line of products which he handles and as reliable representative in this important field of endeavor in which his contributing services may be said to make toward promoting better living conditions throughout our section of the state.

MOUNT AUBURN CEMETERY

America's Oldest Garden Cemetery

We are indeed pleased to bring to the attention of our readers in this Review, Mount Auburn Cemetery, one of the most outstanding beautiful burial grounds in the entire country.

It can be truly said that the progress of civilization in any community may be judged by the advancement that has been made in the care and respect for the memory of those who have passed to the great beyond. We deem it eminently fitting and proper, therefore, that we direct the attention of our readers to this burial ground in Cambridge and Watertown, of which this entire section of the state may feel proud and which reflects in its every aspect that impressive dignity, reverence and seclusion which in simplicity and beauty is eloquent of silent tribute to those who rest beneath its protecting elms.

Situated between the Charles River and the Cambridge-Watertown highway, Mount Auburn has the advantage of accessibility from Metropolitan Boston, comprising 165 acres of consecrated land, beautifully landscaped, nine miles of winding pathways all add to the attractiveness which judicious planning and constant care have contributed, and, of course, not forgetting the beautiful rose and perennial garden and snoken pool which is a particular item of interest open to the public.

Mount Auburn is rich in tradition and historical association and some of the nation's most illustrious sons and daughters are interred here. So long is the full list of men and women of national distinction that it has frequently been called the Westminster Abbey of America. Some of the eminent persons include Henry W. Longfellow, Oliver Wendell Holmes, James Russell Lowell, Mary Barker Eddy, Phillips Brooks, Charles W. Eliot, Edwin Booth and Louis Agassiz, among hundreds of others.

A modern cemetery located in the vicinity of a growing city is an enterprise requiring not only a large outlay of money, but also a highly trained business organization. Mount Auburn is a modern burial place, built from the experience of ages. Non-sectarian in character it is a place of permanent enduring beauty and certain of perpetual care and maintenance of all lots purchased after the year 1875, through a special trust fund set aside for this purpose.

With extensive greenhouses, nursery, two chapels, cremation columbaria, and service buildings, the completeness of facilities is designated for the entire satisfaction of those who wish to be certain that the final resting place of a departed loved one is to receive the utmost in perpetual care.

DOROTHY'S LAUNDRY

Distinctive Laundry Service for Every Need

everything is washed clean and

spotless, and all clothes are returned to you in fresh immaculate condition. We are sure that you do not have to hesitate in sending your most delicate articles here, for one cardinal rule practiced from the very inception of this outstanding Laundry has been to use only the finest of soaps and other supplies essential to this industry in turning out only the most superior type of finished work.

The management of DOROTHY'S LAUNDRY has surrounded themselves with some of the most efficient and experienced employees in the laundry trade, and it is not at all surprising, therefore, that this firm is enabled to render complete and distinctive service to hundreds of well satisfied patrons, whether you use their CASH AND CARRY or their efficient PICK UP

AND DELIVERY SERVICE. The satisfaction of these customers week after week, year in and year out, constitute in our estimation the best gauge by which to judge laundry service which is capably performed here.

The most up-to-date methods are in vogue at DOROTHY'S LAUNDRY, to give you clean linen and to wash comfort in your clothes at reasonable charges—and it truly can be said that "They Launder with Care the Garments You Wear."

We certainly have no qualms in recommending the services of this excellent establishment to all readers, as one which is worthy of your utmost consideration at all times, and we take pleasure in complimenting Mr. Fred J. Canisto, the capable proprietor, upon the excellence of his services.

DUDLEY FUEL COMPANY

Franchised Dealers for York Heat

We are indeed pleased to also include once again in this Business Review a firm which has certainly met with the full approval of all who have availed themselves of their services and products in the past, and as a matter of fact, all of their customers have nothing but a good word to say for this Fuel Company at all times, and for this reason, this firm warrants an honorable mention in this Review.

There are two standards upon which to make your choice in the selection of any firm to do business with, what and how well they have accomplished their work in the past, and what they are doing at present. Either factor by itself may be satisfactory, but the combination of the two is a pretty safe guarantee that you too will be satisfied. In this writer's opinion, this certainly holds true in reference to the DUDLEY FUEL COMPANY, which meets all the above specifications.

THE DUDLEY FUEL COMPANY, located here in Arlington at 43 Dudley Street, telephone AR 5-3385 feature only high grade products, and is, we believe, the only concern in Arlington which has its own storage facilities.

However, the fact that fuel oil at present is much easier to obtain than coal because of the many strikes, and because of the inroads which oil heating has made in

homes and buildings. THE DUDLEY FUEL COMPANY, under the direction of Samuel J. and Carl A. Nigro, nevertheless have seen fit to take care of their customers at all times, so that there would be very little hardship endured regardless of any shortage. Then, too, the fact that they are the franchised dealers here of the well-known YORK HEAT, speaks for itself, and may we say that when you get York Heat, you get the very finest heating equipment for your home and you owe it to yourselves to get the best in automatic heat, oil or gas-fired. We are sure the Dudley Fuel Co., would gladly make a free heating survey of your home and show you truly the tops in heating. York Heat, most economical to buy and operate. We suggest that before letting out your contract elsewhere, to by all means consult with them and get their advice without any obligations to yourself. You will find them straight forward in all their dealings and very definitely on the ball.

We are, therefore, pleased to mention these few facts with reference to the DUDLEY FUEL COMPANY, which not only serves the people of Arlington in a commendable fashion, but who also have the highest type of products available in this field.

EASTON REAL ESTATE

Real Estate — Insurance

We may as well begin this article with a maxim—the truth of which is strengthened by a long haul experience of wise investors, i.e., "Real Estate is still a most Solid Investment." However, the trends and changes which have developed both locally and nationally are necessarily of the utmost importance to those contemplating home ownership.

The exercise of wise selection, therefore, should dictate the choice of an expert in the realty field, both for those who are present property holders and for prospective home owners, and yes, also for the individual who is buying for investment, or as a business.

The Easton Real Estate, formerly known as Harry E. Baker, and now under the direction of Mr. John F. Easton, with offices at the same location here in Arlington at 16 Pleasant Street, telephone AR 5-3910, certainly fulfills all the qualifications of an authority in this regard. With a fund of valuable knowledge gained in a very successful experience here at his command, Mr. Easton is very definitely in an excellent position to give sound advice in all matters pertaining to the present day intricate problems of real estate.

In meeting the demands and efficiently solving the problems as

presented to him, he, as his predecessor before him, has won many friends who look to him for guidance in the realty field. You really do not have to hesitate in consulting with this good-going local real estate insurance agency, for it is a fact that Mr. John F. Easton and his associates which, may we say, also includes his very efficient wife, are at all times pleased to render whatever aid or advice possible.

This, we might add, is in a good measure responsible for the confidence and friendship which they enjoy among their many clients.

Mortgages, sales, appraisals, are other important phases of the services of this fine local real estate firm—and if you are about to buy, a consultation with this real estate firm will result in the drawing up of the mortgage plan best suited to your needs, and it is a fact that many excellent buys in real estate properties are available from a long list of offerings which are on hand here at these offices.

The foregoing facts speak for themselves in reference to the Easton Real Estate, whose services might well be taken advantage of by all our readers and friends, and this very definitely also includes their valuable services in the general insurance line.

Broadway Service Station

Wright and Spicer, Proprietors

The standing which any establishment attains in the mind of the consuming public, is necessarily based upon the quality of the products which it sells, their performance and the relations maintained with their patrons.

Judged upon these standards, the BROADWAY SERVICE STATION has certainly earned a high rating among motorists in the Arlington area. Ever since the inception of this business under the guidance of Messrs. Wright and Spicer, this service station has successfully catered to their wants and needs, by providing motive fuel and lubricants in which are embodied those essential elements that make efficiency, quicker starting, and smooth running action, and which have the reputation of being kind to your motor.

By another, these "motive fuels and lubricants" are known as SUNOCO PRODUCTS used by the careful motorists who like to get high performance from the car he or she drives. And it is a wellknown fact that they fill the bill.

But that is only a part of the story of the services so well rendered to the many satisfied patrons of the BROADWAY SERVICE

STATION, for the up-to-date facilities available here to keep your automobile in first-class running order, add important touches to the full picture, including their efficient road service. Featuring specialized lubrication, you will find this station excellently equipped to completely lubricate your car, according to the requirements of each season as it rolls around. With the value and importance of good lubrication to preserve your car's life and usefulness becomes increasingly important. Frequent washing, too, maintains its lustre and a washing job completed at the BROADWAY SERVICE STATION is always identified by the painstaking thoroughness which they employ to turn out a sparkling job.

One of the most modern and good-looking service stations in the Arlington area, its equipment and facilities match its appearance. Located at 25 Broadway, Arlington, telephone AR 5-1059, you will find your visits here both pleasant and profitable, and it is a pleasure to include this account of its attractive merits for the benefit of all our readers and friends.

"Us old Timers want to have Band Concerts again," With this statement a substitute motion, to appropriate \$500 for band concerts was introduced in place of Article 54 of the Warrant.

One gentleman stood up and introduced the motion while another in discussion said, "When we were kids, it was real swell to bring your girl to a Sunday afternoon band concert. What's wrong with havin' them again so the young un's of today can do the same thing?"

Needless to say, the bill passed unanimously with very little arguing from the Finance Committee.

90 SQ. FT. OF**Armstrong Quaker****LINOLEUM****FREE INSTALLATION****\$9.95****Cordon Furniture Co.**
397 Mass. Ave., Arlington
AR 5-1571

The motion provides for three or four concerts which will be presented by the Arlington Academy of Music.

East Arlington has high hopes of getting a spanking new library to take the place of the mausoleum that substitutes for a library in the basement of the Crosby School. The Town Meeting appointed a committee to investigate the possible sites and costs of building a new library somewhere in East Arlington, even if they have to use the right of Eminent Domain. (ED. Comment) Splendid work on the part of the East Arlington Association.

In honor of the late Police Lt. Dainel P. Barry, a monument is to be erected in a favorite spot of his, the small park at the intersection of Warren and Medford streets. It is hoped that no one will ever forget the wonderful work this man did in the prevention of juvenile delinquency in the town.

Arlington's favorite skating rink is not going to be made into a cemetery. The rink, in back of the Mount Pleasant cemetery, was saved when a substitute motion

was offered which would deed only half of the Meadowbrook Park to the cemetery commission for development, thus sparing the rink.

Veteran members of the Town Meeting declared at its end, it was the hottest thing in twenty years. The only one not the least bit perturbed, was "Tabby" the cat who strolled le'surely through the hall during one of the bloodiest arguments.

James J. Golden, Town Clerk, released the following attendance figures: By session-Monday, 20 absentees, Wednesday, 29 absentees, Friday, 44 absentees, and Monday, 47 absentees. "All in all," said Mr. Golden, "the attendance was good."

It was suggested after the final session, if members were allowed to smoke in the hall maybe there would be more present when a vote was taken.

Noted Singer To Appear In Local Concert

The Arlington Jewish Community Center has been very fortunate

in securing Miss Betty Dubro as their forthcoming revue "Center Frolics of 1950" to be held at the Junior High East, April 12th.

Miss Dubro a former Arlington girl and the daughter of Mr. and Mrs. Samuel Gilman is a former opera, stage and radio star. She has studied in Boston, New York and Italy. One of her very first assignments was a soloist for Phil Spatally and his all girl orchestra. After singing with his orchestra for several seasons, she went into opera and has sung in Milan Italy, So. America, New York and Washington D. C. Betty has just completed a very successful tour of Haiti. He work in Aida, Carmen and La Traviata is well known. For the "Center Revue" Miss Dubro will sing "Three Loves" from the "Song of Norway". Betty is now giving a series of concerts in and around New York.

PRECINCT HIGHLIGHTS

Thursday night the following men were appointed or elected to fill vacancies in their precincts as Town Meeting members.

Precinct 6 - Allan H. Thompson, 29 Addison street, Arlington, elec-

ALBERS BAKING COMPANY

Distinctive Bakery Products

Once again we are to offer a public word of praise and to include in our Review, the ALBERS BAKING COMPANY located here in Arlington at 1309-1311 Massachusetts Avenue, this outstanding bakery has built a reputation for superior products which is reflected today in the satisfaction as expressed by many individuals throughout Arlington as well as the surrounding areas.

It is said that the way to a man's heart is through his stomach, and there is perhaps nothing closer to the heart of a man than the memory of the delicious aromas of home cooking that issued forth from the kitchen when as a boy Mother would be baking hot biscuits, doughnuts or some especially savory pie or cake. However, with the present day emancipation of women, the modern wife rightly rejects the idea of long hours spent in the kitchen, baking over a hot stove, which was considered Grandmother's privilege to endure. Today, present day methods make it just as inexpensive and much more enjoyable to purchase these bakery products from such an establishment as the ALBERS BAKING COMPANY, where nothing but the purest and freshest of ingredients go into their recipes.

selection of rolls, bread, cakes, pies, pastries, etc., always fresh baked and certainly always appetizing, and they are equipped, too, to prepare all types of special orders whether it be for any type of festival, birthday party, wedding, and we suggest that to have your party a decided success, to by all means either stop in here or telephone AR 5-2038, and tell them what your needs might be.

Any woman in our community who has not as yet come to know the merits of trading at this well established bakery, would be well advised to stop here at her earliest opportunity. The very appearance of this place is a delight to contemplate, and holds an irresistible lure which only a strong will or a full stomach could successfully resist.

Mrs. Kieran J. Lowry the capable proprietor, and all personnel draw from a background of many years of experience in this line of business, and we take pleasure in bringing to the attention of our readers to these most attractive features. In short, to those who would experience the joy of eating delicious products, it would be well worth the effort to acquaint yourself with those delicious eatables which are so expertly prepared by the ALBERS BAKING COMPANY.

They feature here a complete

The Easter Services at the Evangel Baptist church, corner of Pleasant street and the Concord Turnpike begin Sunday with a Palm Sunday meeting at 11 o'clock, when Rev. Harry T. Aranson speaks on the subject: "Messianic Triumph". The church choir will provide music and the evening meeting begins at seven.

A special meeting will be held during the week on Wednesday and Friday night at 7:45. The public is invited to attend.

BLANCHARD —

work and excellent profit results demonstrated here by you men for so many years, he has appointed one of our own organization. Mr. Collyer asked me to notify you personally before any public announcement was made. I quote: "Mr. John L. Collyer, President of the B. F. Goodrich Company, today announced the appointment of Mr. Raymond H. Blanchard as President of the Hood Rubber Company, to succeed the late C. Lawrence Munch as the fourth President of the Company."

Mr. Blanchard was born in Dover New Hampshire, the son of Francis L. (Stirling) and the late John F. Blanchard. He was a member of the Class of 1912, Malden High School, Massachusetts, and the Class of 1917, Massachusetts Institute of Technology, majoring in Chemical Engineering.

From 1917 to 1920, Mr. Blanchard was employed in the Hood Laboratory and then placed in charge of the Mining and Reclaiming Departments. In 1927 he became Factory Manager of Tires, Tubes, Heels, Soles, and Solid Tires becoming Production Superintendent in 1928. On August 20, 1932, he was appointed Vice President in charge of all company manufacturing, a position he has capably filled since that date.

Mr. Blanchard has been intensely interested in many local business, philanthropic, and civic enterprises holding important executive offices in many community organizations. He is Past President of the Massachusetts Institute of Technology Alumni Association (1947-48), and Rotary Club of Watertown (1948-49). At present he is a Vice President and Director of the First National Bank of Malden, Mass., a Director of the Norfolk and Dedham Fire Insurance Company of Dedham, Mass., a Trustee of the Melrose Savings Bank, Melrose, Mass., and First Methodist Church Melrose, and serves as a member of the Corporation, Massachusetts Institute of Technology.

The new President of the Hood Rubber Company is active in many scientific, engineering and social clubs, such as — American Society, American Institute of Chemical Engineers, Engineering Societies of New England, Boston Chamber of Commerce, Rotary Club of Watertown, Algonquin Club of Boston, American Legion, A F & A M, Malden Mass., the Kernwood Club of Malden, and the Bellevue Golf Club in Melrose. In World War I, Mr. Blanchard served in the Chemical Warfare Service as a Sergeant, and in W. W. II, was a member of the Greater Boston War Manpower Committee, and was on the National War Stabilization Board of Region I.

RED FEATHER —

ner C. Porter and Mr. Fagerland. In addition to the \$24,313 total is the share credited to Arlington Boy Scouts from the \$18,000 allotted to Sachem Council for Scoutmaster administration in Arlington, Bedford, Belmont, Lexington, Lincoln, Waltham and Watertown. Also included in direct allocations are the Camp Fire Girls administered through the Boston office of the Greater Boston Council.

Besides these local services, thousands of Arlington people make constant use of many Red Feather agencies outside the town. Latest available statistics for the year 1948 reveal that 2,090 Arlington patients were cared for in 32 different Red Feather hospitals. And during the same period 3,094 local residents depended upon the services of 38 out-of-town Community Fund agencies for the family, children, youth and handicapped.

Continuance of these Red Feather health and social services to the people of Arlington was assured by the generous response of 4,493 individuals and firms in the recent campaign conducted by 479 volunteers under the leadership of Walter T. Kenney.
